HUMLAN 372-1

Humlan is an inclusive and welcoming family of sofas, easy chairs and chairs in gently rounded shapes that make a pleasing contrast in square rooms and create soft, inviting interiors. The design of Humlan offers different tactile sensations in the way textiles and fabric colours are combined to achieve the desired contrast, harmony and colour experience.

The Humlan easy chair with a high back and swivel base offers restful and generous seating comfort that enables the user to change sitting position with ease. The neat design of the chair makes it easy to place. The sculptural form of this high-back easy chair attracts attention, and it works excellently either with other seating from the same family or individually in many diverse interiors.

For the best hygiene, Humlan has removable and washable seat fabric, as well as a gap between the seat and back to prevent dirt and bacteria entrapment.

The Humlan family is made of FSC-certified birch and carries the Möbelfakta label.

ADDED VALUE

- Restful and ergonomic high back
- Gently rounded shapes
- Compact and easy to place
- Generous and embracing
- Versatile loose Humlan cushion for support
- Gap between seat and back for the best hygiene
- Removable upholstery on seat and upper back section
- Choice of any NCS colour
