HUMLAN 376

Humlan is an inclusive and welcoming family of sofas, easy chairs, footstool and chairs in gently rounded shapes that make a pleasing contrast in square rooms and create soft, inviting interiors. The design of Humlan offers different tactile sensations in the way textiles and fabric colours are combined to achieve the desired contrast, harmony and colour experience.

Humlan footstool with is a natural complement to the Humlan high easy chair 372. Like the easy chair, the footstool has been designed with removable and washable fabric.

The Humlan family is made of FSC-certified birch and carries the Möbelfakta label.
