Stop Wing

STOP 574-2

Stop is a fully-upholstered, functional furniture family that gives a homey feeling while nonetheless fitting into the public interiors of tomorrow. Stop is also easy for users to sit down on and stand up from, for universal inclusivity. Stop is designed to offer different tactile sensations in its textiles and to achieve the desired contrast, harmony and colour experience. Stop is available as high and low armchairs, two seater and three seater sofas and the Stop Wing chair.

Stop Wing is an easy chair with a high, encompassing back of the wingback model with an adjustable neck cushion and high seating comfort with an inclusive cut in supportive dimensions.

The upholstery is completely removable and washable, providing durability and hygienic benefits. Stop Wing has a gap between the back and the seat to avoid dirt and bacteria entrapment.

Stop wing is crafted in FSC-certified birch and carries the Möbelfakta label.
